AMAZON

A time when the world seemed more fantastic: and anything was possible!

Journey back in time to the year 1957 on an expedition to the dark heart of the Amazon Basin. A desperate, crazed message sends you on a perilous search through a land where legends come to life, danger hides behind every corner, and incredible treasures wait to be discovered.

AMAZON is designed in the style of the serials of the 1940's and 50's such as Flash Gordon, The Lost City, and Rocketman.

These serials were made up of intriguing, fast paced episodes which placed the hero in unbelievable peril. AMAZON contains 14 exciting episodes filled with plot twists, mysterious characters and heart stopping cliff-hangers. You haven't had this much fun since the drive-in days!

LINKS 386 Pro

Rivaled only

This all new LINKS 386 Pro version of our award-winning LINKS golf game offers many dramatic improvements that make playing LINKS 386 Pro more enjoyable – and gives you exciting new golfing possibilities!

Super VGA Graphics and 386 Power!

The new *LINKS 386 Pro*, featuring Harbour Town Golf Links, is the first golf game specifically designed for the graphic capabilities and computing power of your personal 386/486 computer system. SUPER VGA 256-color graphics at 640x400 resolution display breathtaking views of LINKS Championship Courses. Your friends won't believe that your computer looks so good!

A lot of listening went into LINKS 386 Pro.

Many of the new features and improvements were added in response to direct requests from LINKS users like you! An exciting new feature is our Unique Computer Opponent. Play a round of golf and save your game. The new *LINKS 386 Pro* recorded every shot you made. Send your game off to your buddy and he can play against you right on the screen, shot for shot, as if you were right there next to him! We've also included pre-recorded games from worthy opponents, statistics, a variety of game play modes and much, much more.

Over 345 combinations of Viewing Windows.

With the new *LINKS 386 Pro* you're not stuck with just one standard viewing window. With a few clicks of your mouse you can split the screen giving you a real-time reverse view of your shot to

the green or add a scaleable top-view that displays the flight of your ball. Scorecard, club distance chart, terrain profile and other panels give you the flexibility to display what you want to view while playing and you can change your viewing setup at anytime!

Texturing of fairways, rough, sand, and other surfaces adds an extra level of realism.

Male and female golfers.

You can use any of the 7 existing LINKS courses or upgrade your favorite course to the Super VGA version.

What Reviewers Are Saying about LINKS 386 Pro:

Strategy Plus:

"...with LINKS 386 Pro, Access has not so much pushed back the 'envelope' as redefined the term 'simulation.' Right from the opening screen it's clear that something special is happening here."

"...represents a new generation of computer game. Just play it and love it."

PC Entertainment:

"...for sheer, unadulterated realism, no golf simulation equals the performance of LINKS 386 Pro."

"...if you're serious about golf simulations, treat yourself to LINKS 386 Pro. And if you don't own a 386 to run it on, you've finally got a real good reason to lay out the money for an upgrade."

Computer Gaming World:

"...if you have a fast 386 or 486, think of LINKS 386 Pro as a Ferrari or a Corvette."

"...the ground texturing is dramatically realistic."
